THE AUSTINBLU FOUNDATION

On July 24, 2015, Austin Stephanos left the inlet in Jupiter, FL and was lost at sea. Since then, his parents, Blu Stephanos and Carly Black, have dedicated themselves to their son's foundation—raising awareness by funding boating safety classes, creating awareness on boating safety technology, and by partnering with lawmakers to incentivize best boating safety practices. Carly and Blu's commitment to improve boating safety continues; soon, boaters can expect lifejacket loaner stands, boating safety classes in new geographical areas, and continued work with legislators to further incentivize the use of boating safety equipment.

The seventh annual AustinBlu Foundation Land & Sea Fishing Tournament will take place on Saturday, June 14th at the River Center in Jupiter, Florida. While there are numerous fishing tournaments each year, this event is special because it is a family-friendly tournament that encourages parents and their children to spend time together while practicing and promoting safe boating. Anglers may catch fish by land or sea. This tournament will benefit the AustinBlu Foundation and will raise awareness about the importance of boating safety!

The tournament awards ceremony will be hosted by The River Center from 5:00–8:00 pm. There will be food trucks, raffle, live music, and lots of family fun!
